EXAMPLE 1 (oracle avg position: sentence 73.3)

ARTICLE START:

(CNN)Mark Ronson's "Uptown Funk!," featuring Bruno Mars, is the longest-leading Billboard Hot 100 of the 2010s, ruling the chart for a 13th week. It's also just the 10th single in the Hot 100's entire history to spend at least 13 weeks at No. 1. Plus, newcomer Natalie La Rose reaches the top 10 with her debut hit "Somebody," featuring Jeremih. As we do each Wednesday, let's run down all the songs ...

ORACLE SENTENCES:

"Funk," thus, leads the Hot 100 and its three main component charts (Digital Songs, Radio Songs and Streaming Songs) simultaneously for a record-extending ninth week (nonconsecutively). 5 on Radio Songs (118 million, up 8 percent) and Streaming Songs (9 million, up 9 percent). The Dutch singer's debut hit lifts 10-8 on Radio Songs (73 million, up 9 percent); backtracks 13-14 on Digital Songs, but with a 7 percent gain to 68,000; and zooms 31-19 on Streaming Songs (4.3 million, up 5 percent).

VANILLA BART:

"Uptown Funk!" is the longest-leading Billboard Hot 100 of the 2010s .

It's also just the 10th single in the Hot 100's entire history to spend at least 13 weeks at No. 1 .

"Funk" logs a 13th week atop the Digital Songs chart with 165,000 downloads sold .

ORACLE BART:

"Uptown Funk!" is the longest-leading Billboard Hot 100 of the 2010s .

It's also just the 10th single in the Hot 100's history to spend at least 13 weeks at No. 1 .

Dutch singer Natalie La Rose reaches the top 10 with her debut hit "Somebody"

REFERENCE:

The song rules the chart for 13th week .

It passes Robin Thicke's "Blurred Lines"

Song three weeks from potentially tying "One Sweet Day" for record .

=====

EXAMPLE 2 (oracle avg position: sentence 38.7)

ARTICLE START:

(CNN)It's the kind of thing you see in movies, like Robert Redford's role in "All Is Lost" or Ang Lee's "Life of Pi." But, in real life, it's hard to swallow the idea of a single person being stranded at sea for days, weeks, if not months and somehow living to talk about it. Miracles do happen, though, and not just in Hollywood. We're not talking about people who float aimlessly or run aground aft...

ORACLE SENTENCES:

Rescued man says he is 'utterly thankful' Not only did his boat capsize, but its mast broke, Jordan said. Four weeks in, Alvarenga said his partner -- 23-year-old Ezequiel Cordova, according to the boat's owner -- died because he refused to eat raw birds. Sometimes people don't have to set off by boat to have the sea challenge them to the end.

VANILLA BART:

Sailors often become lost at sea long enough that they run out of whatever food and water they brought aboard .

They can't bank on technology or the proximity of a nearby city, town or boat .

Instead, they must rely on ingenuity, resourcefulness and luck .

Jose Salvador Alvarenga says his journey began in Paredon Viejo, Mexico's Pacific coast in late 2012 .

He says he drank rainwater and, when there wasn't any available, his own urine .

ORACLE BART:

Sailors often become lost at sea for days, weeks, if not months .

Miracles do happen, though, and not just in Hollywood movies .

Jose Salvador Alvarenga survived for 13 months after setting off from Mexico .

Louis Jordan survived after his sailboat capsized three times and his mast broke .

Ron Ingraham: "I thought, 'I am going to get out, get out,' and I did"

REFERENCE:

A South Carolina man says he spent 66 days alone at sea before being rescued .
Other sole survivor stories include a Japanese man washed away by a tsunami .
An El Salvador man says he drifted from Mexico to Marshall Islands over a year .

EXAMPLE 3 (oracle avg position: sentence 38.0)

ARTICLE START:

Cedar Falls, Iowa (CNN)As aides politely tried to rush Ted Cruz from an event in Cedar Falls to one in Cedar Rapids, Iowa, on Thursday, the presidential candidate continued shaking hands with anyone who wanted to meet him. Finally, after the selfies and conversations started to die down, his aides managed to move him closer to the door when a tall, burly man stopped him. "Senator," he said, "can I...

ORACLE SENTENCES:

Cruz argued Thursday that the Republican Party needs to bridge the gap between what he described as the Ron Paul-Rand Paul faction of the party -- young libertarian-minded voters -- and the Santorum base -- evangelicals. Later in April, voters in Iowa will see the bulk of the GOP field tackle these issues when they take the stage at an event hosted by the Iowa Faith and Freedom Coalition. While the past two winners of the Iowa caucuses -- Santorum and Huckabee -- are likely running for president again, Steve Scheffler, president of the group, argued that the field is wide open in terms of who's going to win favor among evangelicals.

VANILLA BART:

Ted Cruz hit the trail in Iowa for the first time as a presidential candidate last week

.

He's counting on Iowa, known for its vocal and active evangelical base, to propel him forward .

Cruz has built a brand as a stalwart conservative willing to buck GOP leadership on fiscal issues .

ORACLE BART:

Ted Cruz, the only official Republican candidate in the race, campaigned in Iowa last week .

The state is known for its vocal and active evangelical base .

Cruz has built a brand as a stalwart conservative willing to buck GOP leadership on fiscal issues .

But he's also eager to champion social issues at a time when many Republicans are anxious to avoid them .

REFERENCE:

Ted Cruz has built a brand as a stalwart conservative on fiscal issues .

But he's also eager to champion social issues at a time when many Republicans are eager to avoid them .

Cruz says the GOP needs to unite young libertarian-minded voters and evangelicals .

EXAMPLE 4 (oracle avg position: sentence 37.3)

ARTICLE START:

(CNN)The United States Department of Justice has named a new defendant in the war on drugs, and the charges are serious indeed. A 15-count indictment filed in federal court in California bristles with accusations of conspiracies, transporting prescription pharmaceuticals dispensed with illegal prescriptions, violations of the Controlled Substances Act, misbranding charges, and money laundering cha...

ORACLE SENTENCES:

That's why the Controlled Substances Act and the Food, Drug, and Cosmetic Act allow common carriers to lawfully possess controlled substances, so long as it is in the usual course of their business. On the other hand, FedEx argues that it is indeed a common carrier, performing the normal duties of a common carrier, because (a) it is engaged in the business of transportation of property and (b) it offers its services to the public generally. According to the indictment, from at least as early as 2004, the Drug Enforcement Administration, the Food and Drug Administration, and members of Congress put FedEx on notice that illegal Internet pharmacies were using its shipping services to distribute controlled substances and prescription drugs in violation of the Controlled Substances Act, the Food, Drug, and Cosmetic Act, and numerous state laws.

VANILLA BART:

FedEx is accused of conspiring to transport prescription drugs with illegal prescriptions .

David Perry: Corporations can be prosecuted like people, and in many ways are easier to prosecute than people .

He says the law recognizes two kinds of possession: actual and constructive .

Possession is when you have physical control over the contraband; "constructive possession" is not .

ORACLE BART:

FedEx is accused of conspiring to transport illegal drugs and money laundering .

David Perry: Can companies be prosecuted like people? No, but they can be held liable for "possessing" what bad guys send through their services .

FedEx says it is a "common carrier" and therefore can't be held responsible for what it delivers .

Perry: The Controlled Substances Act allows common carriers to lawfully possess controlled substances .

REFERENCE:

Justice Department prosecuting FedEx over unauthorized shipment of drugs .

Danny Cevallos: FedEx has a strong argument that it shouldn't be held responsible

.

=====

EXAMPLE 5 (oracle avg position: sentence 34.7)

ARTICLE START:

(CNN)The United States has seemingly erupted this week about what it means to live your religion, especially in Indiana, where its new Religious Freedom Restoration Act faces a firestorm from critics who say it uses faith as a pretext to discriminate against gay people. Such state laws have been growing ever since the U.S. Religious Freedom Restoration Act became law in 1993, designed to prohibit ...

ORACLE SENTENCES:

Soto and Russell sued the federal government, but a federal district court ruled in favor of the government, rejecting the two men's First Amendment assertions and their claims under the federal Religious Freedom Restoration Act, the same 1993 statute that Indiana legislators used in developing their new state law. So Rich sued the state prison system in 2010, saying its denial of a kosher menu violated the Religious Land Use and Institutionalized Persons Act of 2000, a landmark civil law rights law for inmates whose predecessor was the federal religious freedom law. So the pastors sued the city of Chicago in 2000, alleging that its zoning laws violated the Illinois religious freedom statute, the federal Religious Land Use and Institutionalized Persons Act and the U.S. Constitution.

VANILLA BART:

The U.S. Religious Freedom Restoration Act was passed in 1993 .

So far, 20 states have some version of the religious liberty law .

The law prohibits the federal government from "substantially burdening" a person's exercise of religion .

A knife carried by an IRS accountant and a tea from the Amazon are examples of controversial cases .

ORACLE BART:

Indiana's new Religious Freedom Restoration Act faces firestorm from critics who say it's anti-gay .

So far, 20 states have some version of the religious liberty law, and the legal controversies have grown .

Pastors sued the city of Chicago, saying its zoning laws violated the Illinois religious freedom statute .

A knife carried by an IRS accountant is seized by the IRS .

Brazilian faith group's use of a hallucinogen is considered an illegal drug by the feds .

REFERENCE:

A Native American from a tribe not recognized by the feds wins the return of his eagle feathers .

An IRS accountant is fired for insisting on carrying a symbolic Sikh knife to work .

A group of Chicago pastors takes on City Hall over its permits for new churches and loses .
